FREE DESIGN ADVICE, MEASURING AND DELIVERY

Are you fed up with trips to the fabric shops? Can't find the right colour, pattern or finish? Let us take the time and stress out of choosing your soft furnishings by suggesting a selection of co-ordinating fabrics to suit your colour scheme, personal style and budget - **in your own home**. As experienced designers we provide a creative eye to help find the right look for your home. We measure up and provide a free estimate for the fabric, making costs and fitting, all you have to do is decide on what you like.

Our soft furnishings are all hand sewn, of the highest quality and can usually be supplied in just 2 weeks. We offer advice on different styles of **curtains, blinds, co-ordinating cushions, upholstered headboards or furniture** made to your exact requirements.

If you have chosen a fabric then we can often purchase it cheaper on your behalf. We can also source fabrics from companies such as Clarke & Clarke, Porter & Stone, Sandersons, Harlequin, Alhambra and other leading companies. Call or email us now with your specific needs, whether it is just one room...or the whole house.
